

## Case Study

# Why one of the Best Places to Work in the US 2022, chose Bento to power their dental benefit

## Overview:

Our client, a leading technology company that has been named one of the best places to work in 2022 came to us looking to improve its dental benefit offering.

The company, constantly looking for ways to improve employee satisfaction, wanted a modern dental benefit experience.

## Client Profile:

- Employees: 1,000-5,000
- Location: Colorado, USA
- Company Type: For Profit
- Industry: Enterprise Software, Cloud Management, IT

## Solutions:

- Created a dental plan with superior coverage
- Leveraged technology to reduce administrative costs compared to their previous dental insurance model
- Provided extensive network with pre-negotiated treatment rates to deliver predictable and transparent pricing

## Goals:

- Deliver best-in-class dental benefit experience to employees
- Lower dental benefit expenses for the company and employees
- Allow the company to better allocate benefit dollars and design their own plan

## Results:

### 2022

Named Best Place to Work in the US by Glassdoor

### 23%

savings on dental claims

### 78%

claims processed with pre-negotiated rates

## Conclusion:

Bento's cloud-based dental benefit model allowed the company to deliver a better dental benefit experience for its employees. Our client is reaping a significant reduction in costs in dental claims. The Bento platform reduced administrative costs and addressed inefficiencies by automating payments while providing real-time access to all data. The company is happy to say goodbye to dental benefits paperwork and embrace the new era in dental benefits
